

# Submission Services

## BUILT FOR TRADERS

### SUBMISSION SERVICES

Submitting your virtual and spread trades can be a hassle. Submission Services is embedded right into the same analytic tools that you use to research and build your trading strategies, making it seamless to submit.

### CAPABILITIES

- Integrates seamlessly with PowerSignals and DataSignals API
- Validate and submit portfolios with the click of a button
- Receive your day-ahead awards and analyze your bidding strategy
- Track profit and loss in real time
- Manage your Market Accounts using the Account Manager module and get set up in minutes
- Fully automate your workflow using our Submission API endpoint

### ABOUT YES ENERGY

Yes Energy is the leader in power market data. Founded in Boulder, Colorado, Yes Energy set out on a mission to deliver nodal power traders powerful, insightful, actionable data—it now offers the most robust, high-quality data in the industry. Yes Energy creates innovative data solutions to power the businesses of not only nodal power traders, but also power marketers originators, asset developers, asset operators, and the middle office.
